SECTION 1

SIGNIFICANT EVENTS

Case Report 23-1090

On Feb. 27 at 7:20 a.m. officers were dispatched to a suspicious incident at 1100 Judicial Center Dr. Dispatch reported that a white box truck was spotted by an off-duty Thornton Police Officer. This white box truck was reported to have eluded Thornton Police earlier in the same morning, and was associated to a burglary in Thornton. Officers located a white box vehicle in the parking lot of 1111 Judicial Center Dr., and were able to confirm that the license plate was a match to the vehicle described by the Thornton Officers. Brighton Police Officers then conducted a high-risk traffic stop and contacted a female and male. They were in possession of three stolen catalytic converters, multiple stolen credit cards, drug paraphernalia and meth. The vehicle was also found to be stolen. The male was transported to Adams County jail and the female was released on a summons.

Case Report 23-1109

On Feb. 27 around 8:40 p.m. Brighton Police officers took a report of auto theft from the area of Bromley Lane and Brighton Road. As officers were taking the report, another Brighton Police Officer noticed the stolen truck parked in the parking lot of Safeway (1605 E. Bridge St.) occupied by a female and a male. When the female driver saw the officer, she ran into the Safeway and was taken into custody after a short foot pursuit. Officers found two firearms in the stolen truck. Both the male and female were arrested and booked into the Adams County jail on charges of motor vehicle theft, defacing a firearm, obstructing a police officer, felon in possession of a firearm and other warrants.

Case Report 23-1145

At 10:18 a.m. on March 1, our dispatch center received a call from an unknown person who was making threats regarding Pennock Elementary. This call came into the non-emergency line and was very similar to the call received the previous week regarding Brighton High School. Both Patrol and School Resource Officers arrived on scene within one minute to find that there was nobody suspicious at the school. Once again, officers swept the common areas and secured the perimeter, while schools in the area were placed on Secure as a precautionary measure. When officers were confident that there was no credible threat to students or community members, all schools were released from Secure and the school day continued as normal.

SECTION 1

SIGNIFICANT EVENTS

Case Report 23-1185

On March 2 at about 11 p.m. officers were dispatched to a shots fired call at Windmill Ranch Apartments. Dispatch advised that there were multiple reporting parties who stated they heard several shots. Officers initially did not see anything suspicious. While reviewing camera footage with the apartment manager, officers viewed multiple people in two vehicles engaging in some sort of verbal confrontation before driving off and shooting at each other. Five 9mm shell casings were located at the scene. This is an active investigation.

Case Report 23-1208

On March 4 at 12:06 a.m., officers were toned to Kum and Go at 70 West Bromley Lane on the report of a gunshot wound. The store clerk had called dispatch to report that there was an 18-year-old male who was shot in the back and bleeding from the side of his head. The clerk also stated the suspect vehicle was possibly a white BMW, which was last seen heading southbound on Highway 85 from Bridge Street. He also reported there were multiple bullet holes in the side of a minivan. Upon arrival, officers saw that the 18-year-old male was standing upright, conscious and breathing with a single gunshot wound. Officers then called for an ambulance. They learned that the gas station employee heard gunshots and then saw the white BMW drive away. Witness statements and evidence were collected from the scene. The 18-year-old victim did not want to give any description of the person or describe what happened. He refuses to cooperate with detectives. This remains an active investigation.

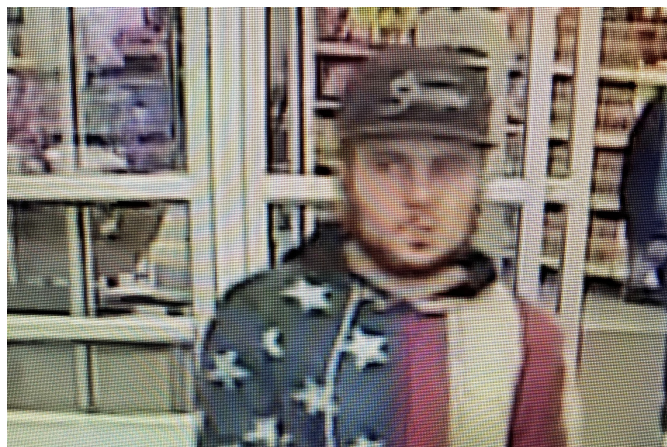

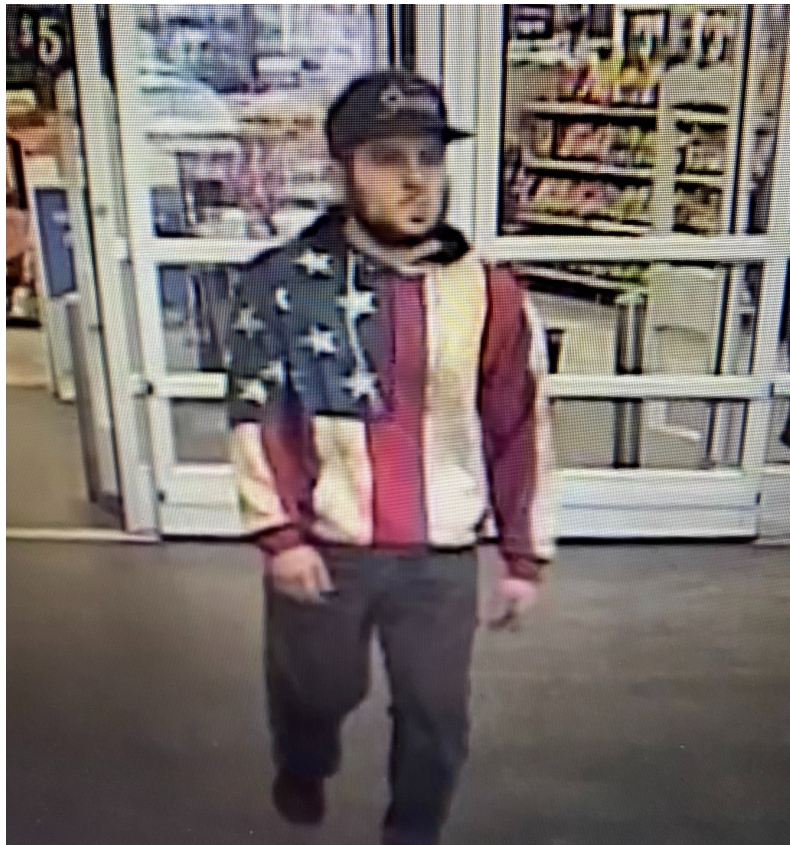

Case Report 23-1223

On Mar. 5, 23, Officers were dispatched to Walmart on a report of an indecent exposure. The victim, a 16-year-old female employee, reported that a male stood behind her while stocking shelves, exposing exposing himself and performing sexual acts. The victim quickly went and notified a co-worker who also reported seeing similar activity from the male. The male left a short time later. He is described as a white/Hispanic male, between 18-30 years of age, 5'08" to 5'10" in height, and about 190 to 210lb in weight. The male also had a light beard. He was also seen driving a smaller blue SUV. See a photo of the suspect below.
